Roll was taken and a quorum was present.

II. Chair’s Report

Chair Barbar opened by thanking Trustees Dennis Stilley, and McDonald for participating in the graduation ceremonies. The Chair then congratulated Trustee Moabery for being recognized by “Florida Trend” as an impact player in transportation, and Trustee Burns for being named CEO of JM Family. The Chair shared that Governor Jeb Bush had recently visited the Henderson school and was very impressed and complimentary

receive federal research grants. They also met with acting Assistant Secretary of Education Frank Brogan, and he was hopeful to have Mr. Brogan visit the campus within the next few months.

III. President's Update

President Kelly opened his remarks by noting the FAU football team was nationally ranked in two publications in the top twenty-five. The President then announced that Dusty May has been named the new head basketball coach. He reported that the Provost search was coming to an end and that an offer was made to one of the candidates. The President said that Provost Perry has been and will be instrumental in the success of the university. He also praised new Athletic Director Brian White for aggressively getting out in the community. The President also touched on the topic of Boca Regional Hospital, saying that they have been searching for a new operating partner and that they have narrowed it down to two finalists. The President also said that he had a meeting with Dick Schmidt, who assured him that FAU would be involved in the final decision. The President said it was very encouraging for the university to have a voice in such matters.

President Kelly then transitioned into discussing the Capital Campaign. He said that we are reviewing consultants to help us start a campaign. The President explained that a campaign can take anywhere from 3-5 years, due to the fact that there are many processes involved. He then went on to say we have had a record high in fundraising for the past two years with the donations.

The President said that he was pleased to see our performance metrics score, and commended Dr. Perry for the guidance and his staff had done with making improvements. President Kelly noted that certain university facilities were dated and in need of repair, so changes will be implemented as soon as possible. Finally, the President concluded that FAU High School has done a great job in nurturing the ability of its students and that we have a great University and it is going to get better.
