    - 5) Other BusinessDiscuss the Honors Distinction Wording on syllabi: Honors Distinction: Since there is now an operating University Honors C earnest an Honors Program for Boca students, it is important that all Ho what it is about this course that causes it to have the designation "Honors. they can come to the CC. The note below is written for Honors Courses use some of it as a template. The italicized portion reflects the language and the University Honors Council will look for it in your syllabus: Note of Honors Distinction: This course differs substantially from the

importantly, the course is an agreement between the student instructor to collaboratively to ensure a significantly enriched learning experience in a designated courses at FAU. This means the course will produce substatinterdisciplinarity and connections among academic fields, research and pertinent to the field, leadership, creative and critical thinking, and engage university. Secondly, the writing component of the course will be much students for uppedivision college writing and for work on the Honors The vocabulary of a specifically theoretical nature, and will be expected to concept these new terms in their own critical thinking and writing. In additiour own readings and analyses of these texts. Students will be expected history and the ongoing critical and scholarly conversation about these was presentations about critical history and about the living scholars in the finalso engage with the theoretical tools used by todayading community to

course will develop critical attitudes and analytic skills that will teach the
